LEGISLATIVE COUNSEL'S DIGEST

AB 722, Lowenthal. Vehicles: driver's licenses: medical examinations.

Existing law requires applicants for an original or renewal certificate to drive a schoolbus, school pupil activity bus, youth bus, general public paratransit vehicle, or farm labor vehicle to submit a report, on a form approved by the department, of a medical examination of the applicant given not more than 2 years prior to the date of the application by a physician licensed to practice medicine, a licensed advanced practice registered nurse qualified to perform a medical examination, or a licensed physician assistant.

This bill would add a specified licensed doctor of chiropractic to the list of persons who may make a report of a medical examination of the specified applicants.

The people of the State of California do enact as follows:

SECTION 1. Section 12517.2 of the Vehicle Code is amended to read:
